Linsley Dunevant, Chair.....(ACTION NEEDED)

4. Planning Work Program Amendment (FY 13-14) (10 minutes)

Dana Stoogenke, RRRPO..... (ACTION NEEDED)

Background: NCDOT requires that the RRRPO create an amendment to the PWP, if line items exceed 10%. The Strategic Transportation Investment has created a lot of work in the Prioritization line item and staff is requesting shifting \$10,000 to complete this work. The TCC recommended approval. The TAC needs to review and recommend approval, if appropriate.

5. Planning Work Program (FY14-15) (10 minutes)

Dana Stoogenke, RRRPO..... (ACTION NEEDED)

Background: NCDOT requires that the RRRPO has an approved Planning Work Program for 2014-2015 Fiscal Year. This spreadsheet shows what projects RRRPO staff is slated to work on in the upcoming year. The TCC recommended approval. The TAC needs to review and recommend approval, if appropriate.

6. Five-Year Calendar (10 minutes)

Dana Stoogenke, RRRPO..... (ACTION NEEDED)

Background: NCDOT requires that the RRRPO has an approved Five-Year Calendar which provides a long-range schedule of work in years to come. The TCC recommended approval. The TAC needs to review and recommend approval, if appropriate.

7. Strategic Transportation Investment (STI) (20 minutes)

Dana Stoogenke, RRRPO.....(ACTION NEEDED)

Background: Local prioritization of transportation projects is being drafted by RRRPO staff. NCDOT will be releasing its prioritization draft in May 2014. The RRRPO will be using a portion of that data to draft its own local point allocation for STI. As a part of this process, the RRRPO will need to release the draft ranking for public comment, which will take place before the RRRPO's July 2014 meeting. After public comment, the TCC and TAC will review the prioritization and take official action at its July 2014 meeting. Local prioritization

needs to be entered into the NCDOT P3 system by July 31, 2014. The TCC recommended approval. The TAC needs to review and recommend approval, if appropriate.

8. Strategic Transportation Corridors (STC) (20 minutes)

Dana Stooogenke, RRRPO.....(ACTION NEEDED)

Background: NCDOT staff is asking for public comment on its new Strategic Transportation Corridor maps which will replace the Strategic Highway Corridor maps. These new maps do not include Hwy 24-27 and Hwy 52 and reduces the overall corridors from 55 to 24. In addition, they remove the type of facility that is required, for example Boulevard, Expressway, Freeway, etc. The TCC recommended that the TAC oppose the exclusion of Hwy 24-27 and Hwy 52 from the new STC and request that both routes be placed back on the STC. The TAC needs to review and recommend approval, if appropriate.
