Resolution of the Rocky River Rural Planning Organization (RRRPO) Requesting NCDOT to Cancel Projects EB-5841 & EB-5973 from the STIP at the Request of the City of Albemarle

Whereas, the Rocky River Rural Planning Organization (RRRPO) represents the interests of its member municipalities, including the City of Albemarle, in transportation planning efforts across the region;

Whereas, the City of Albemarle has formally requested the cancellation of two projects currently listed in the North Carolina Department of Transportation's (NCDOT) State Transportation Improvement Program (STIP);

Whereas, the projects in question are identified as EB-5841 and EB-5973, which pertain to sidewalk improvements within the City of Albemarle;

Whereas, after careful consideration, the City of Albemarle has determined that the continuation of these projects is not aligned with their current transportation priorities and planning objectives;

Whereas, the Rocky River Rural Planning Organization fully supports the request of the City of Albemarle, recognizing the importance of aligning transportation projects with local community needs and priorities;

Now, Therefore, Be It Resolved, that the Rocky River Rural Planning Organization respectfully requests the North Carolina Department of Transportation (NCDOT) to cancel projects EB-5841 and EB-5973 from the State Transportation Improvement Program (STIP), as requested by the City of Albemarle;

Be It Further Resolved, that a copy of this resolution be sent to NCDOT, the City of Albemarle, and any other relevant stakeholders to ensure that this request is appropriately addressed.
