1. Ethics Statement
Lee Snuggs, RRRPO Director

2. Public Comment

3. Amend/Adopt Agenda……..……..……..……..……..(ACTION NEEDED)
Lee Snuggs, RRRPO Director

4. Approval of Minutes from May & August(Special Called Mtgs.), 2024……(ACTION NEEDED)
Lee Snuggs, RRRPO Director

5. Virtual TCC Meetings……..……..……..(ACTION NEEDED)
Lee Snuggs, RRRPO Director

- *After speaking with the County of Stanly Attorney, the TCC is not required to have in-person quorum/voting for agenda items.*
- *The TCC board is made up mostly of town/city/county managers, planners, clerks, etc., not elected officials.*
- *The TCC board is not voting on final approval of the agenda items, just the approval to recommend to the TAC.*

We barely made quorum(5/4) at our in-person meetings in March/May of this year. We haven't had a chairperson or vice-chairperson for 2024 because members were unable to commit to being at the physical meetings because of jurisdictional commitments/obligations.

- *TCC members will vote on moving to all virtual TCC meetings.*

6. **Rocky River RPO - NCDOT Div.10 - SPOT 7.0 Division Projects Summary**……..…..**(ACTION NEEDED)**
   Lee Snuggs, RRRPO Director
   Scott Miller, NCDOT

   - *Attached you will find the NCDOT Prioritization 7.0 Project Summaries for each SPOT ID project under review on the division level. The summaries provide the project description, location and the SPOT generated preliminary cost estimates. Please note the location of each project on the map shown by using RED, GREEN or intersection markers.*

   - *SPOT 7.0 Division Tier Projects will need a vote on points distribution by November 29, 2024*

7. **Transit Providers**

Places, Expand Mobility Choices, Strengthen Rural to Urban Connections, Build a Better Bus Network, and Invest in Strategic Mobility Corridors.
Advantages to the Rocky River RPO: Rural Access, Access to Jobs and Education, Increase Attractiveness for Employers and Support Freight Mobility, Enhance Downtowns, and Expand Transportation Choices for Residents. Regional Transportation Demand Management (TDM) Program is completing the 14-month process to develop a regional TDM plan and program. TDM is the use of strategies to maximize the efficiency of our transportation systems and improve mobility.

7. NCTA/Monroe Expressway Update (Informative)
Warren Cooksey, NCTA

Presentation included:

- **Introduction to the NC Turnpike Authority** which was created by the General Assembly in 2002 to allow the use of tolls "to speed the implementation of needed transportation improvements". The NCTA, a business unit of NCDOT - funded by toll revenue, is responsible for project development, finance and reporting, toll operations and roadway maintenance.
- **Monroe Expressway** received MPO approval in 2007. It is fixed tolls that provide a high-speed alternative to U.S. 74. The project cost was approximately $815.4 million. The Monroe Expressway opened to traffic on November 27, 2018. The Monroe Expressway was awarded the America's Transportation Award: Best Use of Technology & Innovation, Large Category.
- **NC Quick Pass** is the NCTA's brand name for toll collection and transponders. Drivers with transponders receive a 35% discount on the Bill By Mail toll rate in NC. NC Quick Pass transponders can be used to pay tolls in 19 states. NCQP currently has 582,000+ accounts and 2 million+ Bill By Mail customers.

8. 24FY PWP Amendment (Approved)
Lee Snuggs, RRRPO Director

Members reviewed and discussed the proposed 24FY PWP 4th Qtr. Amendment for approval. Monies were moved from two categories to add an additional $1800 that may be needed in the 'Postage' line item for the Stanly County CTP.

A motion was made by Jay Almond to approve and recommend to the TAC. It was seconded by Scott Miller and unanimously approved.

9. 25FY PWP Approval (Approved)
Lee Snuggs, RRRPO Director

The following changes to the draft 25FY PWP were presented and discussed. The postage was increased by $1500: Data Collection and Assessment was decreased by $1k and General Transportation Planning was decreased by $500 from the draft that was presented in March, 2024.

A motion was made by Scott Miller to approve and recommend to the TAC. It was seconded by Steve Dutton and unanimously approved.

10. Updated RRRPO Methodology/Draft (Informative)
J. Scott Miller, NCDOT
Lee Snuggs, RRRPO Director

Due to the pandemic, and a "condensed" run of SPOT 6.0 in 2020, the last update to the RRRPO Prioritization Methodology was February, 2018. Members will be provided with an updated RRRPO SPOT Prioritization Methodology for review and approval. **No action needed at this time.**

2018 RRRPO Prioritization Methodology

11. RRRPO Endorsement of the Anson County CTP (Approved)
Lee Snuggs, RRRPO Director

A motion was made by Scott Miller to approve and recommend to the TAC. It was seconded by Jay Almond and unanimously approved.

12. Stanly County CTP Survey (Informative)
Lee Snuggs, RRRPO Director

The Stanly County CTP Survey went live on May 9, 2024 and will continue until July 12, 2024. Jurisdictions in Stanly County are asked to please make copies and display in your City/Town Halls and any other prominent place to reach the public. Please share with your other organizations, church, etc. so that we can get as much feedback as possible. It will be printed in the Stanly News & Press by the end of May.

13. Transit Providers:
SCUSA: Steve Dutton

- Two new vehicles have been delivered and are on the road.
- Concerns/planning for upcoming staff retirements.
- One vehicle scheduled to be purchased for FY26
- Increase in ridership since the decline due to Covid.
- Plans are being discussed for potential growth in western end of the county that will provide additional opportunities for FY26-27.

14. NCDOT Updates

Transportation Planning Division: Emily Stupka

- Complete the Trails Program provides funding for planning, promotion, construction and maintenance of state trails of NC. North Carolina municipalities with less than 25k in population and located within 6 miles of an existing or planned segment of a state trail are eligible for CCST grants. The grant application deadline is May 29, 2024.
- Powell Bill Program (State AID to Municipalities) is funding primarily for the resurfacing of streets. It can also be utilized to maintain, repair, construct, reconstruct or widening of any street/public thoroughfare including bridges, drainage, curb and gutter and other necessary appurtenances within the corporate limits of the municipality and the planning/construction and maintenance of bikeways, greenways or sidewalks.
- FHWA held a recent webinar on Proven Safety Countermeasures in Rural Communities which provided resources helpful for urban and rural areas.
- USDOT has launched a new, active transportation webpage as part of its commitment to increase transit and active transportation trips by 50% over 2020 levels by 2026.
- Upcoming events were provided.

Airport Perimeter Fencing & Land Acquisition

Airport Name: AFP - Anson County Airport

Specific Improvement Type: 2100 - Perimeter Fencing

Location: Anson County Airport - 2980 Airport Road, Wadesboro, NC has an area along Aviation Rd approx 1,500-2,000' long which is currently open and not contained. This area is closest to several of the airport hangers and mechanical buildings.

Project Category: Division Needs

TIP #:

Fully Funded in Draft STIP? No

Cost to NCDOT: $1,100,000

Description:

This project would fund the completion of perimeter fencing to AFP. The airport currently has only partial fencing and still needs approx 2000 lin.ft. to be fully contained. The prior section was funded through MPE, and project bids exceeded the available funding.

Land Acquisition

Airport Name: AFP - Anson County Airport

Location: Currently there is a privately owned strip of land between the existing grounds and Airport Road. Purchase of this parcel will make the grounds contiguous to Airport Road and allow for future growth.

Specific Improvement Type: 3000 - Other

Project Category: Division Needs

TIP #:

Fully Funded in Draft STIP? No

Cost to NCDOT: $1,650,000

Description:

This project will expand and upgrade the existing land parcel which will increase the overall parcel worth in addition to preventing private interest or influence from disrupting airport planning.

2. **FY24 4th Quarter PWP Amendment Approval(Approved)**
   Lee Snuggs, RRRPO Director

   Additional funds($500) were needed in line item **IV-6 Travel** due to increased travel due to AC/SC CTP jurisdictional meetings and coastal locations of NCAMPO, NCARPO conferences.
   The additional funds($500) were debited from line item **IV-3 Lodging, Meals, Incidentals** where there was a surplus of funds.

TCC: A motion was made by Scott Miller to approve and recommend to the TAC. It was seconded by Tanya Byrd and unanimously approved.

TAC: A motion was made by Charlie Council to approve. It was seconded by Scott Efird and unanimously approved.

3. Review\Approval of SPOT Local Point Assignments(Approved)
J. Scott Miller, NCDOT

The RRRPO region had 13 projects that qualified for the SPOT Local Point Assignments. We are allowed 1300 points with a maximum of 100 points per project. Therefore, all 13 projects were assigned the maximum amount of 100 points.

TCC: A motion was made by Anita Blair to approve as presented and recommend to the TAC. It was seconded by Bridgette Helms and unanimously approved.

TAC: A motion was made by Chris Whitley to approve as presented. It was seconded by Charlie Council and unanimously approved.

** **Theo Ghitea, NCDOT,** took a moment to revisit a prior discussion of the RRRPO Revised Ranking that would place Stanfield's sidewalk project as #1 in priority, being that it was ahead of the other projects by already being in the design stage.

Adopted: This the 12th day of November, 2024.
