6. Centralina Mobility Hub Pilot Projects (Informative)
Andy Grzymski, Centralina Regional Council

A Mobility Hub is a place where people can connect to multiple modes of transportation to make their trip as safe, convenient, and reliable as possible. Centralina's Integrated Mobility Center (IMC) is moving forward with the development of a Regional Mobility Hub Implementation Strategy, which was a key recommendation from CONNECT Beyond. A Guidebook is being developed that will provide guidance for communities thinking about implementing mobility hubs. In addition, Centralina is funding 4 mobility hub pilot projects, which will assist a community in site selection, conceptual design and an implementation roadmap. Communities will be able to apply to be one of the pilots in July. There will be a Centralina Learns with more information on mobility hubs and the pilot project process on June 26th.
